

CNSI is undergoing a transition to focus on research development primarily based on the execution of current research projects including the Quantum Foundry and BioPACIFIC MIP. To adjust to the new research environment, CNSI has developed a pre-submission review process for all requests to submit proposals through CNSI. If you would like to explore the possibility of submitting a new proposal, please complete the below information and email this form to: cg@cnsi.ucsb.edu. The CNSI Executive Committee will respond to your request within a week.
