

Building Access Requirements Attestation Form

All researchers must review and agree to the following guidelines and protocols before gaining and to ensure continued access to Elings Hall:

- Verify all UCSB-mandated safety training is up-to-date, including general lab safety training and COVID. Return-to-work training: <https://www.learningcenter.ucsb.edu/>
- Verify that you are enrolled in the Campus Daily Health Survey
- Undergraduate Students Only: By checking this box, you confirm that you have been approved for on-campus work. Note: Written confirmation from your faculty supervisor will be required.

I do hereby attest that I have read and will comply with the above referenced COVID-related policies and procedures. Additionally, I understand that failure to follow the corresponding policies and procedures will result in immediate revocation of research authorization:

Name (Last, First): _____

E-Mail Address: _____

Emergency Telephone Number*: _____

Faculty Advisor or Supervisor: _____

Lab(s) Authorized (room #s): _____

*Note: This telephone number will only be shared in an emergency situation. It should not be your office number.

Signature _____ Date _____

NOTE: Normal turnaround time for Elings Hall access to be restored is 24-48 hours. Elings Hall access will only be granted if you previously had access to a lab within the building. If you are requesting new access, please follow the instructions on the CNSI Access & Security webpage.

Please e-mail the completed and signed form to: cnsi-schedule@ucsb.edu
